<http://www.griffith.edu.au/school/pbh/>

Postgraduate Information Research Skills (PIRS) Program (evaluate and improve your research skills)

<http://www.griffith.edu.au/ins/student/postgrad/skills/>

Borrowing Information; Interlibrary loan and document delivery

<http://www.griffith.edu.au/ins/lending/>

Library Catalogue

<http://librarycatalogue.griffith.edu.au:8080/WebZ/html/geacnfdblast.html?sessionid=01-45506-1056275732>

Other Library Catalogues (if you locate an item not held by Griffith University, fill in an interlibrary loan request form and we will source it for you if possible)

<http://www.griffith.edu.au/ins/catalogue/>

Databases

<http://www.griffith.edu.au/ins/collections/librarydatabases/>

Note the link at the bottom of the screen to *See full list of headings*. Check the Public Health suggestions, including:

Medline

Blackwell Synergy

Agricola

ScienceDirect

Scirus

Web of Knowledge

Cinahl

Cochrane Library

BasicBiosis

Expanded Academic

ABS Statistics

CrossSearch (search the library catalogue and selected databases simultaneously)

<http://www.griffith.edu.au/ins/eresources/>

Library Services for Off Campus Students

<http://www.griffith.edu.au/ins/student/offcampus/>

Australian Digital Theses Program

<http://www.griffith.edu.au/ins/collections/adt/>

Learning Services

Academic Skills, Computing Skills, Library Skills (check out the free workshops specifically for postgraduate students, and the consultation service and self-help resources)

<http://www.griffith.edu.au/ins/training/>

Remote Access

VLink (free software that allows you to access databases, h drive etc from home)

<http://www.griffith.edu.au/ins/remotearchive/vlink/>

[Griffith@Home](http://www.griffith.edu.au/ins/remotearchive/griffithathome/) (if you don't already have an internet service provider, you might like to investigate this service)

<http://www.griffith.edu.au/ins/remotearchive/griffithathome/>

NetStorage (you have been allocated space on the university server – this is your h drive. You can work on documents at uni, save them to your h drive, then access them from home to continue working)

<http://www.griffith.edu.au/ins/remotearchive/netstorage/>

Wireless (find out about using your laptop on campus)

<http://www.griffith.edu.au/ins/wireless/>

Office of Graduate Studies

<http://www.griffith.edu.au/ogs/>

Postgraduate Homepage

<http://www.griffith.edu.au/postgraduate/home.html>

Virtual Student Orientation

<http://www.griffith.edu.au/ins/training/library/virtualorientation/>

If you would like help with these, or any other library related issues, please visit the InfoServices desk in the library, or contact me (Val Scheffe) on 33821306 or email v.scheffe@griffith.edu.au.
